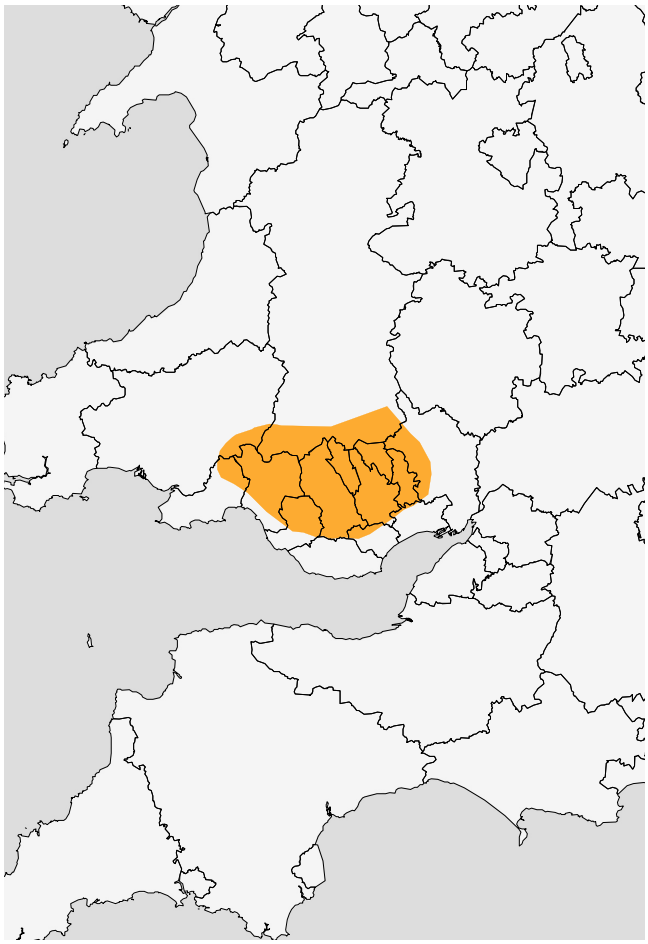
Amber warning
Rain

Between
09:00 Fri 18 Dec 2020 and
23:59 Fri 18 Dec 2020



Heavy rain will cause travel disruption and flooding.

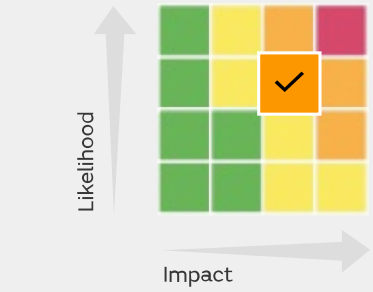
What to expect

- Homes and businesses are likely to be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is likely, causing danger to life
- Delays and some cancellations to train and bus services are likely
- Spray and flooding probably leading to difficult driving conditions and some road closures
- A good chance some communities cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses likely

Further details

Rain is expected to develop on Friday morning and last for much of the day with periods of heavy rain during the day. 40-60 mm of rain is expected quite widely over high ground within the warning area.

A few places are likely to see 80-100 mm with much of this falling in around 9-12 hours before clearing eastwards. This is likely to cause flooding and disruption to transport.



Medium likelihood of medium impacts
